**Safety Minute**> Vehicle thefts are being curbed by the use of bait cars.

**Car Care Tip**> Why you should always flush the entire cooling system before installing a water pump.

**Motor Minute**<sup>®</sup>> Police stop a man pulling a boat down the street with his lawnmower.

**Know It All**> "The car companies are calling for removal of zinc in motor oils because it contaminates the catalytic converter." *True or False?*

**Mailbag letter from Bob (Beaverton OR)**> "I pulled a snow blower out of storage and I did the gas, oil and plug maintenance on it. But when I pulled to start it I got a puff of smoke. In checking it out, I saw gas coming out of the air filter. I removed the filter and saw gas coming out of a hole in carb. Can you tell me what the problem is and how I can repair it?"

**Sound Byte from the** Fire sign Theatre soundtrack: "How can You Be In Two Places at Once?"

**!!! Nutz & Boltz special holiday offer, get MotorWatch Oil Analysis Kits for just \$19.00 each – and we will pay the shipping and handling costs!**

**Nutz & Boltz Theme Closing Music**

MotorWatch is an indefatigable protector of the American public's right to have safe, defect-free vehicles.

The MotorWatch is a non-profit organization funded membership dues and contributions. For more information about becoming a member and member benefits, call 410-374-2320 or [www.motorwatch.com](http://www.motorwatch.com)

MotorWatch has been providing help for motorists since our 1<sup>st</sup> informational car-care program was broadcast in 1971.

The MotorWatch Hotline has continually been broadcast since 1986, and on the internet since 1997.

The MotorWatch hotline is broadcast live every week on WBIS. Certain portions may be pre-recorded or edited.
