Safety Minute> What happened when police in Chesapeake, Virginia tried to arrest Michael Mills Jr., 38, for identity theft.

Motor Minute[®]> Speed trap camera setup in Montgomery County Maryland sent a senior citizen a ticket for going 100 MPH in a busy neighborhood during rush hour.

Car Care Tip> Carbon buildup in the combustion chamber and on the intake and exhaust valves can cause difficulty starting and poor performance.

Know It All> "If the cooling system in an older vehicle that has conventional coolant is topped off with long-life coolant it will shorten the life of the conventional coolant." *True or False?*

Mailbag letter from Jim (Centerville VA)> "I have a 1992 Volvo that I park in my garage while I'm deployed for the next few months. I left instructions for my son to start and run the car once every 2 weeks. Well, the battery has gone dead. Can I let the car sit for 3-4 months without cranking it without any risk? I don't want moisture to attack the cylinder walls."

Motoring Musical Memory> 1958 Volkswagen TV commercial

Sound Byte from the movie soundtrack: "Night Rider"

Nutz & Boltz Theme Closing Music

MotorWatch is an indefatigable protector of the American public's right to have safe, defect-free vehicles.

The MotorWatch is a non-profit organization funded membership dues and contributions. For more information about becoming a member and member benefits, call 410-374-2320 or www.motorwatch.com

MotorWatch has been providing help for motorists since our 1st informational car-care program was broadcast in 1971.

The MotorWatch Hotline has continually been broadcast since 1986, and on the internet since 1997.

The MotorWatch hotline is broadcast live every week on WBI S. Certain portions may be pre-recorded or edited.
