Safety Minute> Worst and best highway segments and roads in the US.

Motor Minute[®]> Shoes by the thousands were dumped all over a Miami expressway, delaying traffic during rush hour.

Car Care Tip> If your kids or passengers lean on the electric window switch when the windows are fully open or closed, it will overheat and damage the electric window motor.

Know It All> "Coolant seen weeping from around the water pump weep hole after engine cool down should not be considered a cause for replacing the water pump." *True or False?*

Mailbag letter from Rebecca (Butler PA)> "Egg or pepper? Someone had told me a 'trick' to stop a small leak in your radiator - to put in a few tablespoons of black pepper (as in salt & pepper) or an egg into your radiator and it will stop a small leak. Is there any truth to this or is it just a myth?"

Motoring Musical Memory> "Mechanic's Song" & "Firesign Theater"

Nutz & Boltz Theme Closing Music

MotorWatch is an indefatigable protector of the American public's right to have safe, defect-free vehicles.

The MotorWatch is a non-profit organization funded membership dues and contributions. For more information about becoming a member and member benefits, call 410-374-2320 or www.motorwatch.com

MotorWatch has been providing help for motorists since our 1st informational car-care program was broadcast in 1971.

The MotorWatch Hotline has continually been broadcast since 1986, and on the internet since 1997.

The MotorWatch hotline is broadcast live every week on www.motorwatch.com. Certain portions may be pre-recorded or edited.
