**Safety Minute**> Commuter Pain Survey illustrates how much of a toll the economic recession is taking on drivers.

**Motor Minute**<sup>®</sup>> Halogen sealed beams are much brighter than regular incandescent bulbs, and provide a much whiter light too—which also helps improve visibility.

**Car Care Tip**> Halogen sealed beams are much brighter than regular incandescent bulbs, and provide a much whiter light too—which also helps improve visibility.

**Know It All**: "A vehicle will pull toward the side with the most positive caster. And " A vehicle will pull toward the side with the most positive camber." True or False?

**Mailbag letter from Glen (Chesapeake Beach MD)**> "I just had to have the windshield replaced on my 2009 Ford Fusion. A truck kicked up a rock and cracked the windshield. The new windshield has a "wavy" section, on the driver side, right in my wife's line of vision. Would this be a defect in the glass?"

**Motoring Musical Memory**: "1935 Newsreel tells about new automobile factory."

**Nutz & Boltz Theme Closing Music**

MotorWatch is an indefatigable protector of the American public's right to have safe, defect-free vehicles. The MotorWatch is a non-profit organization funded membership dues and contributions. For more information about becoming a member and member benefits, call 410-374-2320 or [www.motorwatch.com](http://www.motorwatch.com)

MotorWatch has been providing help for motorists since our 1<sup>st</sup> informational car-care program was broadcast in 1971. The MotorWatch Hotline has continually been broadcast since 1986, and on the internet since 1997.

The MotorWatch hotline is broadcast live every week on WBI S. Certain portions may be pre-recorded or edited.
